By using the Site, you are accepting the terms of this statement and you accept that we have implemented Google Analytics Demographics and Interest Reporting which means we may collect information about your experiences as you use this site. This is done using 'cookies'.

## **What is a Cookie?**

Cookies are basic text files consisting of encrypted information that is stored on your device (computer, mobile phone, tablet or other) by our web server when you visit our website. The cookie is sent back to our web server each time you visit our website. Each cookie contains completely anonymous information such as a unique identifier and the website name. They do not collect any personal information about you or your machine and cannot gather data or information about what you do on the Internet. Cookies merely enable us to provide a more valuable online experience to you by remembering things like your personal preferences or which products or services you prefer. Our website utilises cookies to determine aggregate usage behaviour (time on the site, number of pages viewed, etc) through web analytics tools like Google Analytics. We use this information to monitor which areas of the site are most frequently visited to assist us in continuing to develop our services. You can set up your Internet browser to disable cookie technology should you wish
